

Greetings,

With the unique combination of stunning décor, authentic atmosphere and innovative cuisine, a private event at E&O Trading Company transports you on an exotic "cook's tour" through a traditional style Southeast Asian Kitchen. Weaving the flavors of Southeast Asia into our cuisine along with unique and lively settings, E&O Trading Company brings individuality and finesse to our events. From beginning to end planning your event with us will be a seamless experience. A private party at E&O Trading Company is truly a memorable experience.

We offer several menu options that can be tailored to your event. Our Chef focuses on creating food that is based on the authentic flavors and preparations found in Southeast Asia. From food found at street vendors in Bangkok to coffee stalls in Singapore your menu and dining experience will truly be unique and memorable.

Our Saffron Room provides complete privacy and seating for up to 40 people or the doors can be opened for a semi-private cocktail reception for up to 50 people. The Chef's Table features roll-down shades that can create privacy for groups of 2 to 10 people or take the whole table for groups up to 20 people. The Patio can accommodate up to 60 people for a standing reception or 40 people seated. The Patio is illuminated nightly with tropical tiki torches and a grand water fountain visible in courtyard.

Entire restaurant buyouts are available for sit-down events up to 230 guests or standing receptions up to 300 guests.

Custom audio/video needs, floral and linen requests and additional entertainment requirements can be recommended or arranged. I will guide and assist you throughout the planning to insure your complete satisfaction. You will enjoy being a guest at your own event, free to relax and truly savor the experience.

I look forward to working with you,

Kristin
