

PRIVATE DINING IN HISTORIC DOWNTOWN SAN JOSE

This award-winning restaurant in the heart of downtown San Jose's Historic District is a favorite destination for business lunches, celebrations, group events, and intimate gatherings. Housed in a building from the late 1800's, the restaurant features an open dining room with dramatic 20' ceilings, a display kitchen, exposed brick walls, and authentic artifacts from throughout Southeast Asia. Separate from the dining room is the dramatic Dragon Bar. Its rich wood, period details, and oversized seats make this an exceptional spot to enjoy one of E&O's signature cocktails.
